

Lynn St. Amour

Lynn St. Amour is President & CEO of Internet Matters, and is currently active in many matters of Internet development and governance. She serves as a Senior Fellow at the Global Solution Networks program at the Martin Prosperity Institute, Rotman School of Management, University of Toronto; and is Co-chair of the World Economic Forum Global Agenda Council on the Future of the Internet.

She served from 2001 - 2014 as President & CEO of the Internet Society (ISOC), a global organization dedicated to the open development, evolution, and use of the Internet. She joined ISOC in 1998 as Executive Director of its Europe, Middle East and Africa (EMEA) operations, following senior positions in Europe and the US with AT&T and Digital Equipment Corp. (DEC).
